Submission: Objection

Comments: We share a common back yard, along with 3 other houses, with this property. The Barn has no private outdoor space, it's all shared. The only entrance to the Barn is within the shared space via a communal gate.

Also, none of the properties have off road parking, and parking is very problematic already without the increase in vehicles this change of use would bring.

We therefore don't feel this is a suitable property for this proposed use.
