Submission: Objection

Comments: This is a conservation area, not the middle of Stockport. The present 11.30 closing time is already far too late, the impact of people laughing, shouting and the slamming of car doors in this residential area is a public nuisance. The owner of this business seems to think he can ride roughshod over local residents and do what he thinks he can get away with. Reading all the other comments from local people, he should be made to obey the rules and not break them. We strongly object to the opening time of 1am on any occasion. If its a late night party you want, go to Manchester.
