Submission: Objection

Comments: If the venue requires 1am closing for special events, it would be more appropriate to apply for Temporary Events Notices. The blanket approval of late closing would be unwelcome to local residents and visitors who come to this village for peace and quiet. There are no late transport links from Chinley, so the current 11.30pm closing time allows sufficient time for people to finish and head back towards Sheffield or Manchester or make their way home locally. One main concern would be people heading back to Chinley on the Hope Valley Line on the last trains and continuing on drinking, instead of making their way home directly. Once doors close at 1am, there would be the inevitable 'hanging around' which can easily stretch on to the early hours.

As Chinley residents, we support and patronise The Cracken, along with the other small businesses, but strongly oppose general approval of the 1am extension.
