

This drawing is to be read in conjunction with all other relevant technical information, statutory approvals, specifications and 3rd party information. All dimensions and levels to be checked on site and all discrepancies must be reported to the drawings author immediately. Responsibility cannot be accepted for alteration and/or deviation from this design without the prior acknowledgment of the drawings author. Any commercial decisions relating to this information must make due allowance for dimensional and area variation resulting from the design development and construction processes as well as the requirements of statutory authorities. This drawing is to be used only for the purposes indicated. This drawing is copyright and the property of Northmill Associates Ltd (NMA) and must not be reproduced without prior written agreement. Any Intellectual Property Rights (IPR) relating to the design(s) described in this drawing belong to the originating designer and, where it is not NMA's design, no credit for the design or IPR is sought by this drawings author.

GENERAL NOTES

- These drawings are for planning purposes only and are subject to full planning and listed building consent, building regulations approval and third-party approvals (if required).
- These drawings should read in conjunction with associated planning submission documents.
- These drawings relate to architectural proposals only and should be read in conjunction with Mechanical and Electrical Building Services and Structural Engineers proposals.
- All areas and measures are approximate and subject to tolerances and allowances inherent in the construction process.
