Subject: high peak HPK/2025/0080 Buxton Railway Station Station Road Retention of steel shipping container
Date: 26 March 2025 14:06:40

OFFICIAL

HPK/2025/0080 Buxton Railway Station Station Road Retention of steel shipping container

Network Rail is aware of the container and the requirement for Planning Permission. We have no objection however, we understand an electrical cable to feed the container has been attached to a Grade II Listed wall without Network Rail consent and we expect that this will need to be removed and the wall made good by the applicant.

Were the LPA aware that the cabling had been attached to the station wall without LBC consent from the developer?
