Submission: Support

Comments: I strongly support this application the occupant of this establishment is a genuine well respected family man who is just trying to do the best for his family and like me is a small independent business like myself of which we need many more in Buxton the food is delicious and not your usual junk food or fast food like other companies that have been granted permission down the road people like this need a chance and there's plenty of fast food outlets around none of which are affected by the type of food served here time to give the smaller people a break before Buxton ends up like every other got towns around full of charity and coffee shops
