Submission: Objection

Comments: I firstly would like to say that I love how Buxton Football Club are using the ground for lots of different events and bringing the community together. I fully support this. I also appreciate that the football club has been here long before many of the residential houses. Unfortunately, however, living in the vicinity, we are experiencing enormous parking issues with supporters irresponsibly parking their cars into every possible knuck a cranny around our streets, especially on the corners of roads. It is creating an impossible situation for driving down the roads. A neighbour has a terminal illness and requires the use of an ambulance regularly and my concerns are that there will be an occasion when the ambulance cannot get down the road. I appreciate that the football club cannot be held responsible for the parking behaviours of its supporters but our concern is that the more events that happen at Silverlands, especially late into the night, the more problems it is bringing the local residents. If it is possible for Buxton Football Club to work with the local police and ticket the irresponsibly parked cars or double yellow the corners of the streets in the local area because the cars are making access too tight when an event is happening, then this would resolve the issue.
