Submission: Objection

Comments: The parking for residents is already horrendous. We have no drive and have been turned down for planning and we are on double yellow lines so the only parking we have is in street parking. There is residents parking further up road and around the area but not for us.

The stadium is ahead being used for non match events, with weekends being a constant stream of traffic and noise for kids matches etc. they used have 18yr parties on and the noise and anti social behaviour was horrendous. The litter, parking and noise will be horrendous if they are allowed to open to 1am. There is no need for this and they should have to find other ways to raise income not just operate like a nightclub. Parking is really bad but the ground turning into an event place will ruin the neighbourhood.

I strongly object to this application this is a revenue for the club and no consideration for the town or residents whom this does not benefit only make weekend and not evenings unbearable to park, and litter and anti social drunk football yobs walking up the street.

The club don't engage at all with us to talk through events and issues, they only care about themselves and this shouldn't be allowed to turn into an event stadium in the middle of Housing.
