Hello Rachael,

Thank you for sending notification of amended details for this application.

None of the amendments impact upon our prior comments.

The addition of a proposed cycle route through, and to the southern edge of the site is noted and not seen as problematic.

Referring back to comments made on the 8th of August last year, the garden access gate for plot 43 has not been amended on revised plans, and

still requires moving to a more prominent position to ensure that recessed pathways adjacent to plots 43-45 and 18/19 can only be accessed by occupiers.

Regards
