Submission: Objection

Comments: I would like to register my own personal objection as the owner of Nos. 21 and 23 Silverlands and to register the objection of a number of my tenants that live at the two properties, (a total of 14No. Self contained flats), which are almost directly opposite the site.

The extension of Floodlighting hours past 10pm will have a serious impact on the amenity of the neighbouring properties; residents have a reasonable expectation that they can quietly enjoy their home life without increasing noise and light pollution, extending the hours of operation of the floodlights effectively extends the period each evening in which residents will suffer excessive noise, disruption, car parking issues and the inevitable (though occasional) episodes of poor behaviour.

On behalf of myself and my Tenants I urge you to reject the increase and intensification of the site, which will inevitably be at the expense and inconvenience of the residents and home owners.

Thank you for consideration of the points raised

Ken O'Boyle
