Comments: The supporting Heritage Statement says that unit was originally operated as a bar more than 30 years ago before it became a sewing shop. It was operated as a Sewing shop for more than 30 years and now it is proposed to return to its original use. The building is a very prominent listed building at the entrance to Spring Gardens. The proposed use is considered to be appropriate, and the proposed changes are very minor (opening up a blocked window panel above the entrance door and repainting the external timberwork). No objection.
