Application N^o
HPK/2025/0131

Dear Sirs, I wish to oppose the planning application on Buxton High Street.

Previously, the front of the shop was altered away from the Conservation Area rules, and I feel that we do not need another take-away. There is three within 200 yards and another one is overkill. Also the signage does not fit in, in fact I wonder if the signage on the High Street has

altered and I wonder if where
the shops in question, i.e. take-aways
are under a different planning
rules than local shops.

We do not need another Kebab
(take-away) in the area.

Yours faithfully

There is more Turkish Barbers
& Kebab Shops here than in the
same yardage in Ankara
