Submission: Objection

Comments: I am writing with regard to planning applications: HPK/2025/0116 & HPK/2025/0117

Buxton football club is situated in a residential area and these proposals give no consideration to the residents that live nearby.

The extension of the bars operating hours to 1am feels extreme and unfitting of the area the ground is situated in. Bars and pubs on the nearby market place are not licenced to serve so late into weeknight evenings so it's seems strange that a venue in the centre of a residential community would be permitted to. Allowing the bar to continue operating until 1am every night of the week will result in loud music late into the evening and drunken fans leaving the club in the early hours of the morning. This will massively impact local residents quite enjoyment of their homes. Many residents have young children or have to be up for work early and having their sleep disrupted, potentially every evening, is unacceptable.

Parking is also an issue that already effects the local area and extending this the into evening has the potential to deny residents in the area access to parking around their homes. Buxton football club seems to be taking no responsibility for the irresponsible parking of its fans and these proposals seem dismissive of local residents concerns.

These proposals are framed as allowing flexibility for the club grounds to be used later on the odd occasion but nothing in these new rules would hold Buxton football club to this or prevent them from operating a nightclub until the early hours of the morning every day of the week.

For these reasons I urge the council to to reject these proposals.
