Dear Sir

I would like to object to the Certificate of lawfulness on this planning application.

The address was Combs Sailing Club, which was wrong . It is nothing to do with the sailing club, therefore not legal in law.

The proposals only mention 14 holiday homes. There is no mention of the previous 2 5bedroom houses.

As previously I object to the whole development on access,environment and danger on the very busy Combs road by cars driving far to fast and golfers just wandering across the road.

Carol Barratt
