Buxton
Derbyshire
SK178AR

Submission: Objection

Comments: I object to the build of the battery storage facility, as

- 1) Only just been made aware through seeing in the buxton advertiser, it appears as if it's being put through without local people being made aware
- 2) This facility will create a lot of noise, and light pollution
- 3) Battery storage, can potentially be very dangerous
- 4) I would presume there will be a lot more heavy traffic on a already very busy route
- 5) We already have to contend with the smell of the local tip,
- 6) Seems as though our location seems to be a dumping ground for everything.
