Submission: Objection

Comments: Objection to point 5 of HPK/2025/0117.

The club requesting an extension of license to effectively run events into the early hours, 7 days a week is completely unacceptable.

On occasion the noise & behavior of party-goers at events held at the Silverlands Stadium have been trying to say the least. Drunken shouting, rowing, arguing over taxis etc at gone 11pm has been and remains a significant inconvenience to the local residents. To have this extended to 1am on any random evening shows complete contempt to the residents next to and near the stadium.

While I appreciate that the club want to maximise revenue when games are not being played, this should not be done at the detriment to the local area. Buxton Football club already have the stadium in use most evenings during the week, creating significant traffic, parking & noise issues for local residents. To have this extended into the early hours of potentially any day simply exacerbates the existing issues.

I strongly petition the council to reject this thoughtless & needless request.
