Submission: Objection

Comments: Dear Sir

I am the owner of Freshwater Cottage which is situated nearby to the proposed development.

I am writing to object to the proposed planning application for the following reasons:

I believe the plans are misleading in the sense that they do not highlight the major loss of privacy to the existing neighbouring properties and hinderance of their current views.

I am also concerned that this large scale, multi-story style extension could set a precedent for future developments within our traditional village.

Yours Sincerely

Mr J Spiers
