Comments: I am object to this plan because we don't have space in school's or health provision and remember we have a small hospital doctors are pushed to the limited and stepping hill hospital only has 780 beds Macclesfield hospital is smaller do what are you going to extend Buxton community school st Tomas more Fairfield school and other primary schools would be asking judge to review it don't forget the flooding risk so when the housing flooded are you going to pay for the repair and rehousing them when houses are getting repairs
