Submission: Objection

Comments: Having more houses on this site seems pointless. We have houses for sale on the estate that aren't selling and you want to add more. There are plenty of new homes on the Aldi estate and Persimmons estate. This is going to cause more disruption to all people living on this estate, people around the area. That corner is already a nightmare to get out off and then adding another junction and more traffic.

Also we will be disrupting wildlife that we have just started getting to the new estate.

Also which I think everyone would agree with is why isn't this a locker room and parking for the football which is every weekend and causes absolute carnage for all of us living on the estate. People block our drives, park everywhere and kill the grass and bulbs we pay for. Would reduce the rubbish left on the fields after the games and allow children and parents to be in a safe environment. How the council can't see this would be a much better way to use this space.
