Site Address: Marsh Lane and Ladypit Road Furness Vale Derbyshire
Comments by: Stephen Chandler
From:

Laneside Road
Low Leighton
New Mills

Phone:

Email: [REDACTED]

Submission: Objection

Comments: I believe the installation of this proposed solution would be detrimental to the area. I have to travel using both marsh lane and ladypit road frequently and any work in this area would cause prolonged issues for traffic.

Also the area is naturally beautiful and should not be destroyed or altered for the existing surrounding population.

Progress for the sake of progress is not all it is cracked up to be.
