Dear Planning

Further to the above application, I am writing to say that the Leisure & Environment Team are fully supportive of this application at the Cricket Ground at Newshaw Lane. The project aligns with the Council's Move More High Peak Strategy, which aims to increase opportunities for physical activity and community engagement. By providing a welcoming space for sports, wellbeing programmes, social groups, and other inclusive activities, this facility will play a key role in improving physical and mental health outcomes for residents of all ages. Investing in the built infrastructure (i.e. clubhouses, pitches and training facilities) supports organisations and places in continuing to offer these opportunities which is crucial.

Many thanks

Sally
