Good afternoon

Further to previous correspondence regarding this appeal and in particular our e-mail of 23 June. Over 4 months have elapsed since that e-mail. The requested permission has not been forthcoming and we have not received a request for any extension of time. As no progress has been made we can only conclude that the requested permission will not be provided and that this appeal therefore cannot proceed. I can formally confirm that this appeal has been turned away and that no further action will be taken on it.

Kind regards

Planning
