Subject: RE: HPK/2023/0459 - Dinting Lane

Hi Rachael

The layout is much improved and answers my concerns. The only final nit-picking is the choice of tree species in the north west corner. It is appreciated to fill the gap with new hawthorn to match the existing hedge, however it would be good to see a tree species that is capable of growing higher than the hedge. So if the easternmost of the proposed trees could be swapped for a Lime then that would be appreciated.

Thanks
Craig
