Submission: Not Object

Comments: While Moorside does not oppose the proposed development, we request that any wagons or lorries associated with the works do not use Shallcross Mill Road. The road surface is already in a deteriorating condition, and the use of heavy vehicles would likely cause further damage.

We would also like to emphasise that Shallcross Mill Road forms part of a residential estate with both children and elderly residents. It is therefore important to ensure their safety by preventing large vehicles from entering the estate.
