Morning Rachael,

No objections from a conservation perspective to the amended plans for the application at Hole House Mill, Chisworth which were submitted November 2025.

We would still recommend conditions for materials and detailing as per conservation comments (dated 24/07/25) and, as mentioned previously, a possible condition securing the completion of works to the NDHA before the occupation of Block B-D to ensure the heritage benefits of the scheme are secured.

Kind regards,

Megan Atkinson Conservation Officer
