Submission: Objection

Comments: I am deeply concerned that the proposed planing application to turn these premises into air bnb lets will have a negative impact upon the high street . We need to keep our high street viable and this in my opinion should remain a retail unit . If this is allowed more will follow , I speak here after running a business opposite the property concerned for 38 years . The people of glossop need shops ,also we already have plenty of short term accommodation to suit visitors needs . I strongly object to this as it brings no benefit to the retail shops on this high street ,as these coming and goings often take place after business hours . .
