Submission: Support

Comments: I am writing in support of the proposed Airbnb planning application.

I am a landlord with property on the High Street in Glossop, and I believe this project would be very beneficial for the town. Short-term accommodation will help attract visitors, support local businesses, and contribute positively to the vitality of the High Street.

Glossop has a lot to offer, and providing well-managed visitor accommodation will encourage tourism while supporting the local economy. In my view, this proposal represents a sensible and positive use of property and will be good for Glossop in every way.

I fully support this application and hope it will be given favourable consideration.
