Subject: 19 Union Road

Dear Stuart
Re HPK/2026/0061

I write in support of this application. A bread shop is associated with this proposal and would benefit from it as a business. The shop is highly valued, we need it to remain viable.

The holiday flat would bring much needed revenue and tourism to the town. In truth, the visitors bring vitality to New Mills and it's great to see them and interact with them.

Warmest regards

Geoff Carrier
