Reference - HPK/2026/0061

Hello Mr Talbot

We are aware of the proposed changes, outlined in the above application, and as regular customers for over 50 years wish to express support for a plan which we understand is to help secure the future for Potts' Bakery in New Mills.

This bakery is an asset to New Mills drawing compliments from visitors who appreciate, as we do, the quality and variety of the bread and confectionary served in a traditional friendly setting.

Regards
