Submission: Neither

Comments: Thank you for the opportunity to comment upon this application. We note that the applicant recognises the existence of Buxton Footpath 40 and states the tthis will be dealt with later. This footpath is currently subject to a temporary closure order because of hte danger of land slippage into the river. We would expect that any permission granted would include a condition that the footpath must be stabilised (for the long term) and reopened as part of the development.
