Submission: Objection

Comments: The original concept of constructing the round about on Fairfield road was in part to include a bypass of Fairfield road and down to Bakewell before new housing was put in place. The information for this and an illustrated map showing the route as it appears has been ignored. Not any more. So based on this information new houses should be stalled until a new road is in place which will benefit all of Buxton....

Fairfield road is a Major route through to other area's including PDNPA blockages reflects on Buxton.
