NEW APPLICATION No :	HPK/2025/0502
APPLICANT'S NAME	Willmow Reclamation And Salvage Mr Mowbray
LOCATION	Land At Turnlee Quarry Turnlee Road Simmondley Glossop
PROPOSED DEVELOPMENT	Retrospectiive Application for Operation development in relation to improvements to the access, retaining walls and hardstanding

Good afternoon. I have previously carried out a site visit to assess the works as the application is retrospective. Trees to the road frontage on Turnlee Road are protected by W1 (woodland 1) of HTPO no 103. Given that the works have already been completed there is no opportunity to offer advice regarding tree protection during construction, or works in close proximity to retained trees. However, there may be an opportunity to secure additional tree planting to W1 to diversify the age/species distribution, to combat the effects of Ash Dieback and Dutch Elm Disease and to ensure W1 continues to give screening and amenity to the works and the adjacent road. Such landscaping detail may be secured via an appropriately worded condition on any grant of planning consent.

Kind regards

Gareth Hare Arboriculture Officer
