

A photograph of a rural landscape. In the foreground, a muddy, rutted path leads from the bottom center towards the middle ground. The path is flanked by green grass. On either side of the path, there are several bare, leafless trees. In the background, a wooden building is visible, partially obscured by the trees. The sky is overcast and grey. The overall scene suggests a quiet, possibly early spring or late autumn setting in a rural area.

A gravel path leads through a grassy field with several young trees. The path is bordered by wooden posts and gravel. The trees are bare, suggesting a winter or early spring setting. In the background, there are some buildings and a fence.

Proposed Location of new pod 3

A photograph of a rural landscape. In the foreground, there is a grassy field with some bare trees and a red rectangular area marked on the ground, labeled "Proposed Location of new pod 3". In the background, there are more trees and a building labeled "Existing pods 1 and 2". The sky is overcast.

A photograph of a rural landscape. In the foreground, there is a stone wall and a metal gate. The middle ground shows a grassy field with several trees. A red rectangle highlights a specific area in the field, labeled 'Proposed Location of new pod 3'. To the left of this area, there is a small structure labeled 'Existing bin storage'. To the right, there are two larger structures labeled 'Existing pods 1 and 2'. The background is filled with more trees and a cloudy sky.
