Comments: Due to previous issues with ANPR cameras on the wider Howard Town retail park incorrectly invoicing people for parking when they have entered from the Victoria Street entrance and left from the Mill Street entrance, and vice versa, I'd like to state no objections as long as the applicant can guarantee:

* The above doesn't continue

* The Cameras will not register any traffic using Glossop Brook View

* The Cameras will not register any traffic proceeding along Mill street from high street east, and turning left to the Mill street - Milltown intersection (or the reverse).
