Submission: Objection

Comments: Chinley, Buxworth & Brownside Parish Council has no objections to the change of use from garden land to agriculture on the south side of Hull End Farm, nor from agriculture to garden land on the west side of the farm. However, they do object to the siting of the temporary caravan in its current location due to its appearance, visual prominence in the landscape and intrusion into the green belt. They suggest that if the caravan were re-located into the yard area of the farm, between the farmhouse and the agricultural barn, it would appear slightly less prominent and intrusive in the landscape. Should the siting of the temporary caravan be accepted, they suggest that a date for its removal be stipulated.
