Submission: Objection

Comments: This is a development that is not at all in keeping with Buxton's architectural heritage it will destroy the towns character. The planned housing is of a wholly inappropriate kind for the area and goes nowhere in meeting our towns needs, it will bring with it additional strains on the Towns all ready struggling schools and local services and will destroy our towns retail area driving shops out of town and closing down local retailers.

I would like to inform you I object to the propose planned development in its entirety.

Regards JL Simpson
