Comments: As a manager of a business situated on Spring Gardens I welcome the plans and approve the scheme, I think cosideration has been given to reconceptualise 'heritage motif" and reference is made to the existing architecture without it become a pastiche that wouldn't benefit the town. I hope that the scheme is scheduled to progress in a fashion that won't adversely impact the existing businesses in Spring Gardens and that relief is available to companies in the area should the scheme have a negative effect through the planned works.

Hurry up everyone involved, this is very exciting!
