Submission: Objection

Comments: I object to the loss of parking in the centre of Buxton

I object to the number of flats or homes that will be built. The government specified 100 units, 300 is too many and the properties will not have parking

I also object to the modern design which will not fit in with the historic architecture of Buxton

I also object to the project being hijacked by groups and organisations that do not live or work in the town

I also object to the affect on local traders
