Comments: I OBJECT to the plans- removal of the car park at The Springs will negatively effect town centre businesses, the local people and tourism as well- this is a well used and busy car park. These plans will destroy the existing businesses within The Springs centre.

The building process will disrupt and negatively impact local traffic.

The building of a large number of residential flats and homes without providing any new infrastructure to support them will purely serve to put further strain on already struggling local schools, GPs and dentists.

Nobody locally want this!
