Phone:

Email: [REDACTED]

Submission: Objection

Comments: I object to this application. On the grounds that it will destroy buxtons traditional architecture.

It will cause traffic congestion .

Far to many residential properties are being allowed nowhere near enough local amenities to support new residents.

Build flats next to the station abd keep parking near the shops.

Invest in abd develop already redundant buildings such as the Bedford and the branksome to develop into flats rather than ruining our town centre .
