[REDACTED]

1. This corporate style company is going to ruin the look of the area with hideous style block flats

2 halved the parking which is outrageous it's bad now let Alone halved

3 the street side is reducing it's tight now soo this is a danger to people waking that way

4 the traffic this is going to cause building and finished is going to be a different level of stress these guys need to come up here when it's a weekend it's hurrendous for traffic past train station now

5 cooperate business they have zero remorse for the outer areas of Buxton this will not fit in the theme of what we have here is this beautiful town

Do u really think Buxton wants this have these guys even asked the locals there thoughts and cramming all this hurrendous new build flats in a small space halving the parking eye sore when u get off the train I really wonder what style of people your going to house in these
