We don't want you!!!! Capital & Centic!!! Leave Buxton alone and find some other town to destroy!

Please respect our town and wishes!

We cherish our heritage and appreciate our town as it is.

Admittedly, a revamp is needed. By "revamp," I propose spending the £100 million on rejuvenating our local buildings, shops, business and tourism, while staying true to the traditions of our town and utilizing existing resources. The money should be used for our people, not for capital-centric purposes. The focus should be on the well-being of our employees, rather than solely on financial gains. The decisions concerning our people should be made by those who truly understand the town's needs and desires.

We are concerned about the HPBC's actions, as they seem to be using our towns resources for questionable tactics behind our backs.

The High Peak Borough Council has demonstrated a lack of business sense and a track record of mismanagement, wastefulness, and misinformation.

Selling off our town to big corporate companies that don't know what we want.

This will be a disaster for buxton!!

Please use these funds to benefit our community, rather than to enrich the pockets of Capital & Centic!!

Mrs Julie A Armitt

Local resident
