Hi Alex

Application number	DOC/2026/0033	Application type	Discharge of conditions
Site address	Eastern Mill , Milltown , Glossop , Derbyshire ,	Proposal	Discharge of Conditions 8, 11, 30, 34, 35, 41 and 42 in relation to HPK/2022/0317 Part retrospective

Advice to LPA

The above application for discharge of conditions from HPK/2022/0317 has been forwarded to Environmental Health for consideration. The only condition within the application, relevant to Env Health is condition 41 (Noise) and this appears to be a prescriptive condition, not requiring discharge.

The other conditions included in the original consent were not recommended by Environmental Health (Pollution) and we offered no objection to the original application. Environmental Health (Pollution) offers no comments to the discharge of those conditions applied for.

Regards

Matthew Rhodes
Environmental Health Officer (Pollution and Environment)
