Comments: I strongly object, the proposed development ignored many of the recommendations made by the public consultations and [REDACTED]

The plans do not retain or enhance anything that makes Buxton unique and a beautiful place to live. I am all for development, but development for the better of the community, none of which seems to be in these plans. I love, work, run a business and raise a family here and this development offers nothing to enhance the living in Buxton, it only seeks to destroy our heritage, our cultural assets and looks like any other town in England .it does not help our cultural assets and it does not respect our heritage or enhance our town. Pls listen to the community and think again.
