Dear Bob (cc Steve and Matt)

Historic England Advice (addendum)

Further to our advice letter of the 2 July 2026 we can offer engagement from our Regional Science Adviser (Dr Matt Nicholas cc'd) to support your archaeological adviser on this case. In that context I would also highlight our publications relevant to this development project including:

<https://historicengland.org.uk/images-books/publications/deposit-modelling-and-archaeology/>

<https://historicengland.org.uk/whats-new/research/preserving-archaeological-remains/>

Please treat this as an addendum to our consultation response.

Yours sincerely
Tim
