Comments: I am writing to show our full support to this application.

The renovation of the Grade listed Coach House will be of benefit to the area.

The new home concept of fitting into the contours of the Landscape will be subtle and sympathetic to the hillside and will maintain privacy for our building and won't be visible from the conservation area. The landscape plan is well thought and reinstating the trees will be great for the local ecology.

All in all, the perfect use of bringing the land back in to use.
