Subject: RE: Crescent Buxton - DUE: 2026/07/15 - L01607188 - HPK/2026/0134

Hello Rachel and Stuart,

Thank you for the reconsultation regarding the proposed hygiene room at the former male baths, The Crescent, Buxton.

Having reviewed the documents, it is positive that the applicant proposes to install a visibility window at clerestory level as discussed on site. However, they have only shown this in a section drawing. Ideally, it would be useful to see the vision panel within the hygiene room superimposed onto photographs of the existing tiles or shown in elevation form with the tile decorative scheme shown behind. This would be important to control the appearance of the vision panel (which would be best as a clear and singular area of visibility- without mullions). Previously, when a vision panel was installed, the clear area missed the decorative boarder to the tiled walls it was intending to show.

Hopefully this would be a quick submission from the applicant.

Happy to discuss on teams.

All best wishes

Jess
