Comments: My query relates to the contents of the Existing Site Plan and the Proposed Site Plan, specifically with respect to the site boundary between my property (No 94 Simmondley Lane) and No 92 Simmondley Lane. These both imply that the outbuilding on the boundary between the properties is part of the land belonging to No 92. The outbuilding is in fact part of my property as correctly shown on the Location Plan and is not accessible from No92, the door being in my garden.
