Email: [REDACTED]

Submission: Objection

Comments: I object to the Planning Application on the basis that:

- the proposed buildings are not in keeping with the existing architecture of Buxton, meaning the loss of our town's individual charm;
- there will loss of valuable public car parking which is already limited;
- the cost of the proposed plans versus the supposed benefit to be gained is not realistic.

These plans will cause a huge amount of disruption to local businesses and residents.
