Comments: I strongly object to the proposal put forward, as it appears that this is just a housing development that will not benefit Buxton, there is no infrastructure. Regards schools, doctors, hospitals, it will destroy our Heritage town as we are only 1 of 2 Spa towns, it will take away the much needed parking space, the outdoor areas will not be maintained you only have to look at the local parks, it is not in keeping with a town structure, we don't need to be looking like another city crammed of housing
